Erklärung / Declaration / Explication:

I, a true man/woman of Good (pacifist) and as a „protected person“ DELEGATE of the „OFFICE-HUMAN-RIGHTS“ (Defender of Human Rights under UN-Resolution A/RES/53/144), am hereby protected by the „Geneva Convention on the International Covenant on Civil and Political Rights 1966“. Thus, the full indemnity and the diplomatic immunity for the protected person "BARBARA-MEL BALTENSPERGER" identity is mandatory and has to be honorably guaranteed by everyone.

The holder of the DELEGATE-PASS is the owner of this DELEGATE-PASS. A seizure and/or non-acceptance by any JURISDICTION may result in a private commercial process under unlimited liability in accordance with the private security agreement of the holder. Declarations of any JURISDICTION have to be made by the holder under unlimited liability.

The right of resistance begins by recognizing the extent to which government is already the aggressor. There is only one thing, which gathers people for sedition, and that is oppression. History is replete with tyrannical governments that deserved to be overthrown by their victims.
